Hard floor adapter (optional accessories)

This exploded view diagram illustrates the assembly of a mechanical component, likely a control lever or actuator. The main assembly consists of a long, angled shaft (1) with a handle (2) at the top and a mounting bracket (3) at the bottom. The handle (2) is connected to a cable (7) that runs along the shaft. A detailed view of the handle assembly shows a handle (21) with a trigger (20) and a cable (9). The mounting bracket (3) is shown in an exploded view, revealing its internal components: a base plate (4), a mounting bracket (5), a handle (6), a handle (10), a handle (11), a handle (12), a handle (13), a handle (14), a handle (15), a handle (16), a handle (17), and a handle (18). The handle (12) is shown in an exploded view, revealing its internal components: a handle (12), a handle (13), a handle (14), a handle (15), a handle (16), a handle (17), and a handle (18). The handle (13) is shown in an exploded view, revealing its internal components: a handle (13), a handle (14), a handle (15), a handle (16), a handle (17), and a handle (18). The handle (14) is shown in an exploded view, revealing its internal components: a handle (14), a handle (15), a handle (16), a handle (17), and a handle (18). The handle (15) is shown in an exploded view, revealing its internal components: a handle (15), a handle (16), a handle (17), and a handle (18). The handle (16) is shown in an exploded view, revealing its internal components: a handle (16), a handle (17), and a handle (18). The handle (17) is shown in an exploded view, revealing its internal components: a handle (17) and a handle (18). The handle (18) is shown in an exploded view, revealing its internal components: a handle (18).
